

**FALCON
AMBULANCE**

FLY WITH FALCON

Falcon Ambulance provides 24/7 medical transportation services throughout Northern California and is *the* place to work for EMS professionals looking for the next step in their career.

Falcon Ambulance is the first choice of BATA instructors for clinical rotation ride-alongs.

We offer EMT students the opportunity to spend a day in an ambulance with our talented teams of EMTs and CCT RNs to observe and evaluate real time patient care, gaining valuable experience with gurney operations, patient interaction, interfacing with hospital professionals, dispatch, and EMS protocol.

We are contracted with the #1 Healthcare Provider in Northern California, and we offer multiple locations so you can work closer to home.

Falcon offers up to \$3000 in Tuition Reimbursement for all BATA students who join the Falcon Team.

We have immediate openings for full & part time EMTs and Transporters and provide highly competitive wages with guaranteed biannual raises, career mentorship and growth opportunities, and a comprehensive benefits package in an inclusive, educational, and fun team-based environment.
