

Royal Ambulance is a medical transportation and healthcare logistics provider servicing Northern California, with coverage extending across the West Coast. Comprised of over 650 team members, and 110 rigs we are leaders in culture, focusing on the development of healthcare leaders through targeted learning opportunities and proximity to nationally recognized healthcare partners. Royal is the only EMS company to ever win Glassdoor Best Places to Work and is known as an innovator in the industry offering direct, professional growth paths that help EMTs pursue their career goals.

Relationship with BATA

Royal Ambulance is a proud partner of BATA, we have employed many BATA students as EMTs, and are excited to offer our Jumpstart scholarship to aspiring EMTs in Partnership with BATA. Working with BATA's team has been amazing as their staff is very professional, and always keeps an open line of communication.

Programs and scholarships

The [Jumpstart Scholarship](#) is a full-ride scholarship for aspiring EMTs plus much more. The program is designed to remove financial barriers for those looking to enter the field of EMS, making the profession more accessible to all. The Jumpstart Scholarship pays for EMT Tuition and pays prospective team members to be in school. Upon completion of the program and passing the NREMT exam, the EMT is offered a Full-Time position at Royal.

The Accelerate Scholarship is a \$2,500 internal scholarship award given to two team members on a quarterly basis. This program is designed to remove financial barriers for team members pursuing higher education in the field of healthcare. Previous scholarship recipients have pursued Paramedic, Nursing, and Doctoral degrees.

The [Ride Along Program](#) is designed to give prospective team members a day-in-the-life perspective of what Royal is all about. You'll join a crew on shift and see for yourself what life on the front line of healthcare is all about. Perfect for completing EMT Schooling requirements, or for someone who might be interested in the profession, just sign up on our website and we'll help you from there.
